CHANGES IN VILLAGE STAFFING

Last February, the Village said farewell to our former Director of Municipal Operations, Mr. Michael Younes. Since then, we have undergone a recruitment effort to fill the revised job description for a Municipal Operations Coordinator. Similar to the previous position, the Municipal Operations Coordinator remains responsible for overseeing the Village's capital improvement projects, infrastructure maintenance and upgrades, utility coordination, and parks and rights-of-way maintenance. During these last six months, the Village's Permitting & Code

Enforcement Coordinator, Ms. Ellen Sands, has been filling in to oversee much of the duties assigned to the Municipal Operations Coordinator while maintaining her current duties. This has included serving as a liaison to several Village committees.

We are happy to announce that effective in late August, Ms. Ellen Sands officially took over as our new Municipal Operations Coordinator. Ms. Sands has been with the Village for seven years and in that time she worked closely with Mr. Younes supporting our capital and infrastructure maintenance and improvement projects. Ms. Sands has a broad knowledge of the Village and she has established relationships with county, state and utility officials.

We have already begun an effort to find a new Permitting & Code Enforcement Coordinator, which we hope to fill soon. Ms. Sands will continue to oversee this area until a new hire is made.

I am happy for this opportunity to promote from within and to allow our staff to expand their professional experience and oversight.

Please join me in congratulating Ms. Sands on her new assignment,

Shana R. Davis-Cook

DID YOU KNOW?

A listing of helpful reminders and information

- The Village Police maintain a **medication drop-off box**, which is accessible 24/7. Enter the Hall through the main entrance (off of Laurel Parkway) and head straight down the hallway to the white metal box on your left (no liquids or needles accepted).
- There are several **Notaries Public** on staff in the Village's Communications Center and administrative office. If you need notary services, please call in advance to confirm that a Notary is on-duty.
- **NO plastic bags in the recycling.** These bags clog the processing machines and contaminate the recycling stream. Most local grocery stores have plastic bag recycling bins where you can drop-off your bags.
- Our trash/recycling crews cannot clear away your waste if they can't access your bins. Remember to **clear a path for our crews** so they can do their job!
- **Pet waste bags** should NOT be placed in leaf piles. Pet waste bags should be placed in the public receptacles located throughout the community or taken home and placed in your personal trash receptacle.
- Dryer lint, paper napkins, grass and garden waste can be put in the Compost Crew **compost container**.
- The Village Hall is a wonderful venue to hold various types of events including parties, receptions and meetings. Visit the Village website for more information.
- Throwing out old furniture or other items that are too large for your normal trash? Request a **special pick-up** by the Village's Public Works Department. Special pick-ups occur every Wednesday. To schedule a pick-up call the Village's 24-hour Communications Center or submit a request on the Village's website by 2:00 p.m. on the Tuesday preceding the collection day. Public Works will collect bulk items (limit 100 lbs. per item), however, construction and renovation rubble are the responsibility of the contractor.

WHEN THE POWER GOES OUT...

When a power outage occurs, it is important for all residents to call the following two phone numbers:

1. PEPCO at 1-(877) PEPCO-62

2. Village Communications Center at (301) 654-7300

If the power is restored and goes out again in a matter of minutes, the above two phone calls must be made again so the new outage is registered.

AMENDED PLANS, RULES AND REGULATIONS FOR THE REDEVELOPMENT OF THE BROOKVILLE ROAD PARK

At its meeting on July 10, 2017, the Chevy Chase Village Board of Managers reviewed the amended plans, rules and regulations for the redevelopment of the Brookville Road Park and the dog exercise area proposed to be located within the park. The plans were amended pursuant to the testimony received by the community at Public Hearings held in the spring.

The Board has directed staff and its landscape architect, Ms. Lila Fendrick to begin working to finalize the plans in order to generate cost estimates for the work and source the specific materials and finishes that will be used within the park, including fencing, benches, plant stock and surface materials. This work will be done over the summer into September in preparation for a tentatively scheduled Public Hearing this fall.

Amendments to the proposed plan, rules and regulations included:

- Changing the proposed fence style from aluminum to a wood split rail fence with an attached wire mesh backing at a consistent height of five feet (5').
- The westernmost perimeter fence line was moved closer toward Brookville Road (just east of the stand of Willow Oak trees) to maximize the dog exercise area. As a result, the number of benches between the westernmost perimeter fence and the Brookville Road sidewalk was reduced.
- Elimination of the access control and pet registry requirements.
- Expansion of the dog exercise area (the fence enclosed area) by 1,300 square feet for a total of 7,800 square feet.
- Expansion of the dog run area (the center portion to consist of either a stonedust or wood chip ground cover) by 1,230 feet for a total of 3,780 square feet.
- Additional plantings have been added to fill in the remaining exposed areas along the existing wood perimeter fencing that separates the park from the abutting private properties to provide an additional layer of buffering between the dog exercise area and the neighbors.

The revised plans, rules and regulations are now available on the Village website for review. Comments regarding the revised materials may be submitted to the Village Board, c/o Village Manager Shana Davis-Cook at shana.davis-cook@montgomerycountymd.gov. Ms. Davis-Cook is also available to answer any questions or provide further information regarding the proposed project.

RESIDENTS REMINDED TO COMPLY WITH LOCAL “SIGNS” ORDINANCE

Chevy Chase Village has its own “Signs” Code (Chapter 12) which outlines a series of regulations and parameters for signs erected in the Village, both on private property and in the public right-of-way.

The regulation of signs is intended to enhance pedestrian and vehicular safety and to preserve the attractiveness of the streetscape. Key provisions include:

- Signs allowed on private property, with certain limitations, including political and religious signs, flags, and scholastic or collegiate banners; *no permit is required.*
- Signs allowed on private property and/or in certain locations within the public right-of-way: real estate signs—both the wooden yard signs and for open house events; location signs for estate and yard sales; and directional signs intended to guide or direct vehicular or pedestrian traffic; *Village sign permit required for each sign erected.*
- Commercial signs are not allowed within the Village. (Exception: security/alarm system signs, which are allowed within certain size and location parameters.) **Commercial signs include: fence company name plates, attached to new fences containing the fence company’s name, such as “LONG FENCE”; and construction or contracting company signs.** Commercial signs placed in the public right-of-way will be promptly removed by Village staff. If a commercial sign is observed on private property, notice will be provided by Village staff to the property owner requesting prompt removal.
- An “electronic pet containment system” (i.e., electric pet fence) sign, issued by the Village, must be posted at each property where said system is in operation.

Residents may view the full “Signs” Ordinance on the Village website (www.chevychasevillagemd.gov). For questions concerning signs, associated permits or to request an “electronic pet containment system” sign, please contact the Village office at 301-654-7300 or by email to ccvpermitting@montgomerycountymd.gov.

FALL SOCIAL - SAVE THE DATE!

To help welcome new residents and to give everyone a chance to visit with one another, we will have our annual Fall Social at the Village Hall on Sunday, October 8 from 3:00 to 5:00 p.m. There will be refreshments for all ages and a moon-bounce for the children. NATIONAL NIGHT OUT: A SUCCESS!

In spite of a torrent of rain that delayed the start of the event, the Village held its fifth annual National Night Out on Tuesday, August 1 at Newlands Park. Residents enjoyed being able to climb inside a fire truck, an ambulance and police cruisers thanks to our friends at Fire Station 6, the Bethesda-Chevy Chase Rescue Squad, and the County Police K-9 unit. There were plenty of hot dogs, chips, popsicles, and drinks on hand and our littlest residents left with goodie bags. This event would not have been possible without the many hands that came together to make it a success. If you missed the event, plan to attend our sixth annual National Night Out on:

Tuesday, August 7, 2018!

DON'T PLACE YARD WASTE IN YOUR TRASH

The Village's refuse and recycling collection contractor has reported finding yard waste in some household's trash bins. Please be advised that this is a violation of the Village's Code. Chapter 10, Section 9, of the Chevy Chase Village Code, states that lawn and garden debris is to be placed along the curb for collection by the Village. Pick up of these items is done throughout the week. You can find more information regarding the Village's yard waste (and other debris) collection program under the Public Works section of the 2017 Resident Directory or on the Village website under "Regulations and Policies".

Only household garbage and trash items in the categories of organic waste, and all other waste materials normally generated and accumulated in a house should be placed in the trash bins.

Thank you for your cooperation.

JOIN THE CREW; *THE COMPOST CREW*

Food-waste recycling--otherwise known as "composting" is a great way to reduce your carbon footprint and greenhouse emissions while returning nutrients to our soil and food system.

The Village has partnered with *The Compost Crew* to provide low-cost household collection of food-waste. *The Compost Crew* provides each household with an airtight bin and compostable bags; all you have to do is separate your organic waste and leave the bin by your trash and recycling receptacles for collection on the designated day for weekly pick-up. The collected waste is processed at a composting facility in Maryland and, after six months of service, households can request that a portion of your contributed waste be returned in the form of rich, finished compost or nutrient-rich soil.

For more information regarding the household composting collection service, including current rates, please visit the "Food Waste Recycling Program" page on the Village website under *Quick Links* on the homepage. The more households that sign-up, the cheaper the service is for all, so sign up today!

BOY BITTEN IN FACE, SERIOUSLY INJURED BY UNLEASHED DOG

Village Police to Strictly Enforce the Leash Law

On July 18 at about 6:30 p.m., a 10 year-old boy, his sister and his parents were walking in the Village when they encountered a woman walking near her large, unleashed dog. The boy asked the woman if he could approach and pet her dog, and she told him that he could. As the boy began to pet the dog, the animal turned and bit the boy in the face seriously injuring the boy's nose and upper lip. The boy was taken to a nearby hospital by ambulance where a plastic surgeon worked to repair the wounds. The boy continues to heal and will likely have significant facial scarring.

As a result of this event, the dog was seized and euthanized by the County's Animal Services Division, and the dog owner was charged with two offenses: violating the leash law, and failing to prevent the dog from making unwanted contact with another person.

The Village has adopted Montgomery County's animal control law which, among other things, requires dogs to be leashed whenever the animal is outside the owner's premises unless the dog is in an authorized dog exercise area. Further, the law defines 'unwanted contact' as an animal's unwelcome or unsolicited threatening physical contact or close proximity to a person or a domesticated animal that occurs outside of an owner's property and causes alarm in a reasonable person. Examples of unwanted contact includes biting, chasing, tracking, inhibiting movement, or jumping.

In the past, Village police officers have patiently issued warnings to dog owners who ignore the leash law. This incident has heightened our vigilance—and our resolve—in enforcing this law for the protection of residents and visitors to our community.

Going forward, those who fail to keep their dog under control at all times with a leash as required by law should expect to be cited. The fine for failing to prevent unwanted contact is \$500 for a first offense, and \$750 for a second or subsequent offense. The fine for failing to keep a dog on a leash is \$100 for a first offense and \$150 for a second or subsequent offense.

BACK TO SCHOOL SAFETY TIPS FOR PARENTS & CHILDREN

It's that time of year; summer has ended and children are headed back for another year of school. In order to ensure your child's safety, please remember the following important safety tips:

- Don't drive distracted. Put aside the electronic devices and fully focus on driving. Reading or sending any communication with your smart phone—even while stopped—will earn you a citation.
- Don't drive distracted. Five seconds is the average time your eyes are off the road while reading or sending a text. When traveling at 55mph, that's enough time to cover the length of a football field blindfolded. (www.distraction.gov)
- Don't drive distracted. Don't let anything divert your attention and scan the road ahead for pedestrians and bicyclists.
- Failure to stop for a stopped school bus with flashing red lights carries a \$570 fine and three points. Village officers will be increasing patrol of school bus stops to catch violators.
- If you witness an unsafe driver in the Village, note the tag number and report it to the Village Police Department.

If you were out of town during the summer months, please remember to visit the Communications Center to collect your mail and packages.

COMMUNITY NEWS

THE SENIOR CORNER

A Total Solar Eclipse! What a spectacular event for all of us, and a great way to end the summer. We cannot compete with that, but we do have some special upcoming programs for you in the Village Hall.

September 6 - 7:00 – 9:00 p.m. Aging in an Era of Disruption and Opportunity, the third in our series “Health and Aging”. **Howard Gleckman**, Economist, Journalist and President of the Suburban Hospital Board of Trustees, will be our speaker. This an important topic for all who are growing older and need updating. Bring your friends and neighbors.

September 19 - 2:00-4:00 p.m. Dance & Music for Parkinson's: Music, Song & Community - come and explore the joy of dancing and music in a demonstration by **Mark Morris Dance Group and Brooklyn Parkinson's Group**. The session combines live keyboard and easy-to-do dance movements, which are adaptable to varying levels of physical ability. This will be both fun and informative for all.

-- SAVE THE DATE! --

October 3 - 2:00-4:00 p.m. A Creative Art Workshop with **Millie Shott**. She will demonstrate “Mono-Printing” and help us to make our own prints, always a fun and creative event – and we can take home a finished “hanging” for our homes. Again, you are encouraged to bring friends to enjoy the fun with you. And all those attending may want to come for a second session to add to their painting with a collage.

October 15 - 2:00-4:00 p.m. **Alexandra Zapruder** will speak about her book “Twenty-Six Seconds,” the personal and family history of the Zapruder film of the assassination of President John F. Kennedy, recorded by her grandfather. The book has recently been released, and will bring back memories of that historic day.

Remember we always have refreshments to enjoy as well at the events. These programs are presented for you by Chevy Chase Village and Chevy Chase at Home. If you have ideas for future events in art, music, medicine, current events, etc., please let me know. Contact me by email: bettyoconnor2@verizon.net or phone: 301-656-0597.

An Evening of Music in Chevy Chase Village

Saturday, September 23, 2017
7:30 p.m.
Village Hall

Bella Mattina is a chamber music group comprising flute, oboe and harp.

It was formed in 2012 to perform works written, adapted and arranged for this instrumentation, which produces its own unique and distinctive sound. We enjoy devising and performing interesting programs of various genres and styles in an intimate chamber music setting, perfect for Chevy Chase Village.

This concert is a great opportunity for you to enjoy an extraordinary musical evening close to home, so be sure to mark the date on your calendars.

Bella Matina is led by Village resident and oboist Wes Nichols, featuring flutist Carrie Rose and Beau Soir harpist Michelle Lundy.

Concert program:

Arthur Foote ~ At Dusk
Claude Debussy ~ Children's Corner
Pasculli ~ Homage a Bellini

~~~~~*Intermission*~~~~~

J.S. Bach ~ Trio in G Major  
Carrie Rose ~ Twine  
Lutoslawski ~ Three Fragments
